SCHUMACHER
SELECTION

Schumacher Wines Story

A testament to elegance and craftsmanship, Schumacher Wines embodies the rich winemaking heritage of Europe. With a commitment to quality and tradition, each bottle is a masterpiece, offering a refined and memorable experience.

With deep roots in motorsport, these premium sparkling wines have graced podium celebrations at events like the ADAC GT Masters. Crafted by skilled artisans, the collection includes fresh whites, oak-aged reds, and traditional sparkling wines—each reflecting a commitment to quality. Known for their exceptional taste and craftsmanship, these award-winning wines continue to earn global recognition.

SCHUMACHER
SELECTION

Cabernet Franc - 750ml, 13.2% VOL

Cabernet Franc is subtly fragrant and gently flirtatious. The wine matures in new 350 l barriques for 12 months, after an initial vinification of about 14 days. In this way the wine keeps all its fruitiness and spiciness. This wine will charm you with its rich violet colour and its spicy aromas of black and green pepper. It pairs beautifully with all meat dishes, such as grilled steaks and chops as well as chicken and white fish.

No.1 - 750ml, 13.5% VOL

A subtle and elegant blend of Cabernet sauvignon, Merlot and Cabernet Franc that focuses on clear varietal aromas, in which the soils of Brda are best reflected. Its aroma recalls ripe candied oranges as well as sour cherry and plum jam. The wine has also a herbal character of peppermint, black pepper and Mediterranean spice. Its aroma develops into a fusion of vanilla, cacao, dark chocolate and wholegrain bread crust. The mouthfeel is full, somewhat sweet and balanced.

Ice Cold - 750ml, 10% VOL

Precisely selected wines for the assemblage were chosen for the specific contribution made by each one. Chardonnay to increase fruitiness as well for a refreshing finish and Ribolla Gialla for adding typically varietal minerality.

SCHUMACHER
SELECTION

Chardonnay - 750ml, 12% VOL

Chardonnay has an elegant texture and excellent balance. The wine matures 100% in French oak barriques for 9 months and it has an aging potential of up to 10 years. The aroma is reminiscent of citrus fruit, ripe peaches, melon, butter, vanilla and hazelnuts. This wine pairs well with boldly flavoured dishes, such as mushrooms, truffles, foie gras, rich sea food and lean meat with cream sauces.

Pinot Noir - 750ml, 13.5% VOL

Pinot Noir is a wine with character - full-bodied with a warm ending. Following two days' cold soak and skin maceration, the wine matures in 350 l barriques for 12 months. It has an aging potential of up to 15 years. The aroma is gentle and herbaceous, with notes of black cherry. The tannins are soft and round and the wine has a pleasingly long finish. This wine pairs well with dishes, such as chicken and fish but also some flavoured foods, such as duck breast, tuna and smoked salmon.

Sparkling Rosé Charmat - 750ml, 11,39 % VOL

Perfectly structured with a lovely elegance. Sparkling Rose is produced from Pinot Noir, which gives the wine a soft pink-violet colour, the fruity scent of cherries, raspberries and berry fruit. A long Charmat method contributed to balanced and rich release of carbonic acid, which emphasizes the sparkling and fresh characteristics of this sparkling wine.

SCHUMACHER
SELECTION

Ice Cold Rosé - 750ml, 10% VOL

Precisely selected Pinot Noir to increase intense fruitiness and structure of the wine.

Rosé - 750ml, 12.7% VOL

Rosé is pink, elegant and charming. The intensive fruit-forward aromas from raspberries to currant and cherries complement the full body of this wine. It's fresh taste with pleasant acidity and a long finish complements perfectly with spring salads, all kinds of pasta, even (open) sandwiches.

Sauvignon Blanc - 750ml, 13.5% VOL

Sauvignon Blanc is charming and cosmopolitan. Intense aromas of elderflower, kiwi and passionfruit make this wine an elegant choice, perfect with fresh salads, fish dishes and light cheeses.

MONTELVINI

Montelvini Story

A symbol of Italian passion and precision, Montelvini Wines celebrates the timeless art of winemaking. Rooted in tradition and guided by innovation, each bottle delivers a sophisticated taste of Veneto's finest vineyards.

FM333 ASOLO PROSECCO SUPERIORE DOCG Brut Millesimato - 750ml, 11.5% VOL

The excellent quality of the land and its fruits, combined with a new sparkling wine technique, lead to the creation of an Asolo Prosecco Superiore DOCG, called FM333 which is wonderfully fragrant and original and that stands out for its unmistakable style.

THE WINE - Freshness, sapidity and aroma are three distinctive characteristics. The colour of the wine is a bright straw yellow, with soft greenish nuances; the bubbles are very fine and persistent. On the nose you can perceive delicious aromatic touches that remind golden apple, william pear - 750ml

ASOLO PROSECCO SUPERIORE DOCG Extra Brut - 750ml, 11.5% VOL

It is the maximum expression of Asolo Prosecco Superiore DOCG. The careful selection of grapes ensures a particular finesse and harmony, despite the low sugar content, balanced by a noticeable body.

THE WINE - Pale straw color with green reflections, subtle perlage with excellent persistence. The nose, after an initial floral nuance, becomes full and fruity. Very complex in quantity and quality of olfactory sensations, Golden Delicious apple and pear notes are highlighted, all the way to a delicate mineral note - 750ml

MONTELVINI

IL BRUTTO ASOLO PROSECCO SUPERIORE DOCG Sui Lieviti - 750ml, 11% VOL

Our Asolo Prosecco Superiore DOCG on the lees recalls the ancient wine making tradition used to make this wine in the Treviso province, and more specifically in the Asolo area. It can be enjoyed slowly or it can be poured directly from the bottle, allowing yeast and sediments to mix in the glass, in this case the wine will be cloudy, savoury and full-bodied.

THE WINE - The base wine, obtained from the first fermentation, is left to rest for at least six month then bottled for the second fermentation. It can be tasted alone or be paired with many different dishes - 750ml

PROSECCO DOC ROSÉ TREVISO Brut - 750ml, 11% VOL

Our Prosecco Rose cuvée is made with a blend of 85% Glera and 15% Pinot Noir, selected from the most suited vineyards for the production of sparkling wines.

THE WINE - The wine, pale pink in color, has a fine and persistent perlage, thanks to the long period on the lees, that can be noticed in a decisive but graceful way. The aroma is delicate and reminiscent of wisteria flowers and white fruit, together with hints of small red fruits such as cherries and redcurrants. The wine has a balanced taste and is full flavoured - 750ml

PROSECCO DOC TREVISO Brut - 750ml, 11% VOL

Prosecco is a delicate, refined wine that is characterized by its aromatic quality and its freshness, above all after secondary fermentation following the Martinotti method. The secondary fermentation enriches the wine's fruity aromas with a vivacity which tickles the taster's palate.

THE WINE - A bright straw color with a subtle but persistent fizziness. The taste is well-balanced, with an aromatic freshness, resulting in a very pleasant taste. An extremely versatile wine - 750ml

MONTELVINI

PROSECCO DOC TREVISO Frizzante - 750ml, 10.5% VOL

A sparkling white wine obtained from Glera grapes. It is an extremely versatile wine, suitable for any occasion. The Stelvin closure is the best method of maintaining the freshness and aromas of the wine.

THE WINE - A simple, easy-drinking wine, pale straw in color. Agreeable notes of white fruits and acacia flower; pleasant to the taste also thanks to its moderate alcohol content that makes it particularly suitable for the whole meal - 750ml

BIANCO Frizzante - 750ml, 10.5% VOL

A varied sparkling wine, obtained via natural fermentation using the Charmat method. Displays typical aromatic characteristics of the territory. The Stelvin closure, still rarely used in Italy, is an innovation that significantly improves the storage of the wine, guaranteeing its authenticity.

THE WINE - The color is straw yellow, fruity on the nose with a delicate, slightly spicy aroma. There is a pleasant acidity on the palate, lively and fruity, and its body is dry and delicate. Excellent as an aperitif, it is suitable as a wine for the whole meal, especially with mixed fried fish or vegetables - 750ml

ZUITÈR MONTELLO ROSSO DOCG - 750ml, 14% VOL

This wine is typical of the hills of Montello made from Cabernet Franc, Cabernet Sauvignon and Merlot. The still young wine, rich in tannins need a slight aging in young wood to achieve the goal of a delicate organoleptic balance.

THE WINE - Dense ruby red with garnet. A persistent nose, with notes of black berries and balsamic spices. Soft and harmonious, outlined by an intact tannin. Wide finish which sees the return of balsamic spices, liquorice & cocoa notes that elegantly integrate with the tannic matrix - 750ml

MONTELVINI

ZUITÈR MONTELLO ASOLO DOC Manzoni Bianco - 750ml, 13% VOL

The Manzoni 6.O.13 or Manzoni Bianco is a grape variety native to the province of Treviso, arising from the cross between Riesling Renano and Pinot Bianco. It is cultivated in the Fontana Masorin estate at an altitude of around 330 metres above sea level, being characterised by clay soils with a good supply of carbonates and microelements that are beneficial.

THE WINE - The wine is straw-coloured with green highlights.

The delicate bouquet has a prevalence of tropical fruit aromas. With a dry taste, its structure integrate well with the flavour and minerality - 750ml

OUR BRANDS

ACQUA
MORELLI

Acqua Morelli Story

Sourced from the untouched Ligurian Alps, Acqua Morelli is the epitome of purity and refinement. With its naturally soft mineral content and smooth taste.

Our mineral water comes from the pristine Alpi Marittime in Italy, where it springs at an altitude of 1,000 meters. It undergoes 75 years of natural filtration through various layers of rock, which give the water its particularly pure and soft taste. The mineral content is only 39.9 mg/l.

Acqua Morelli - Glass bottle (500ml, 750ml), PET bottle (500ml)

Unique Italian water from the best source. High-quality enjoyment, pure taste, natural mineral composition. Perfect for pure refreshment, gourmet experiences and natural well-being
